Andreas Klok Pedersen | Partner

Biography	<p>Andreas Klok Pedersen is Partner at BIG and project leader on a number of BIG's competitions, master plans and large-scale projects in Europe, Central and Southern Asia. Most recently, Andreas has led the prize-winning competition for the Greenland National Gallery and the Shenzhen Energy Mansion as well as the ongoing regional planning project the Loop City. His projects also count the Urban Future Award research project for Audi, the carbon neutral Zira Island in Azerbaijan, Tamayo Museum, Ren People's Building, Lego Towers, Kløvermark, Scala Library, Arlanda Hotel and BIG's contribution to the Venice Biennale in 2004 and 2010. In addition to managing international competitions at BIG, Andreas runs an Architecture studio at the Royal Danish Academy of Fine Arts in Copenhagen and lectures internationally on BIG's current research and projects.</p>
